Programs this Month:

Central Okanagan Family Resource Program: Early Childhood Connections (ECC) Group

A free drop-in program for parents, grandparents and family childcare-providers of children aged 0-6 years old. The ECC Group will engage the participants in positive, creative play and family and child social interaction to support *early childhood development*. Adult participants will have the opportunity to:

- Engage with their child in a new environment
- Meet other parents, grandparents, and childcare-providers, chat, connect and exchange information
- Learn about other resources in the community
- Discuss topics of interest
- Learn about childhood developmental milestones and ASQ
- Join in on circle time and family reading opportunity

Child Care Resource & Referral / Childhood Connections Outreach Day

CCRR staff will be at the Hub providing services. Services will include toy lending library, how to find childcare and learn about the different types of childcare, help with Affordable Childcare Benefits (Subsidy) and as well as Ages and Stages Questionnaires.

Central Okanagan Family Hub - Kelowna Theme Days

Two child friendly theme days are offered each week on a drop-in basis at the Hub. Simple, free activities that correspond with the theme of the day will be provided for children aged 0-12 years old.

The Bridge - Parent Talk

Weekly drop-in sessions for parents and caregivers with children under age 6. Adults meet while the children are supervised in our playroom to talk about parenting, wellness and child development. No cost drop-in sessions, child care provided, coffee, tea & healthy snacks provided for adults. Please bring a water bottle and healthy nut-free snack for your children.

Japanese Story Time

We sing Japanese songs and read Japanese books with our children. We support one another in a friendly, welcoming environment where caregivers and their children can meet and make friends. Japanese Storytime is meant to provide a space where children can practice and reinforce the Japanese language and culture. The group asks that caregivers are fluent in Japanese. If you have any questions/inquires, email val@cofh.ca.
