

Principal's Message

Dear Pearson Community,

It was such a pleasure to connect with you at the Welcome Back BBQ. Thank you making the event such a success.

Here are a few housekeeping reminders.

1-Please do not park in the school parking lot. It is for staff that works at the school. Please use street parking.

2- You can pick up and drop off your child at the Kiss & Drop in front of the school. However, you cannot park there or get out of the car to help your child out. There is always staff in the front to help you and your child get in and out of the vehicle. For pickup at the Kiss & Drop, come after 2:35 PM, which gives your child time to come from the classroom and be ready for pickup.

3- You have received the school fee notice. Please use the School Cash Online link on the school website and at the bottom of this newsletter to pay.

4- Please create an account on the School Messenger app to report your child's absences. The link is on the school website as well as at the bottom of this newsletter.

Please feel free to reach out to the office if you have any questions or concerns.

Kind Regards,

Jasmeet

Learning at Mission Creek

Ms. McClellan's and Ms. White's classes recently spent a wonderful day learning outdoors at Mission Creek Regional Park. As part of the Kokanee Salmon program through the Environmental Education Centre for the Okanagan (EECO), students learned about the life cycle of our local Kokanee salmon

and the important role they play in the Okanagan ecosystem. They had the opportunity to see the salmon up close and learn about what happens during spawning season.

Our learning will continue back at school as we get ready to raise salmon in our fish tank and eventually release the fry into Mission Creek in the spring. This hands-on experience gives students a chance to observe a life cycle over time and develop a deeper connection to the local environment. Our goal is to have our students become stewards of the land.

Of course, we couldn't visit Mission Creek without exploring the park! Students went on a shape scavenger hunt, looking carefully at the natural world through a mathematical lens, and spent time drawing and writing in their nature journals, capturing observations, sketches, questions and ideas inspired by what they noticed around them.

It was a beautiful day of learning, wondering and exploring and a wonderful reminder that not all classrooms have four walls.

From the PAC

🐾 PAC Newsletter 🐾

Welcome Back, Panthers!

The PAC is VERY excited for the new school year and all the fun we have planned! We're looking forward to connecting with families, supporting our students and staff, and creating lots of great memories together.

Next Meeting:

Our first PAC meeting of the school year will be:

Tuesday, September 29th at 2:45 PM

Location: School Library

Come join us, hear what we have planned, share your ideas, and learn how you can get involved!

Hot Lunch Is Back!

Munchalunch is now open for hot lunch ordering!

Hot lunch will be served on Wednesdays, beginning October 14th.

Place your orders through "munchalunch.com"

We're looking forward to bringing back some tasty Wednesday lunches for our Panthers!

Treat Sale - October 2nd

We are looking for bakers and families willing to donate home-baked goodies for our upcoming treat sale!

Coffee & treats are \$2 each!

Bring your own cup and save \$1 on coffee!

All proceeds from the treat sale go toward supporting our students through classroom enhancements, student activities, and other initiatives that directly benefit our school community.

If you're able to donate baked goods, please bring them to the school at either:

- Thursday, October 1st at 2:30 PM, or
- Friday, October 2nd at 7:30 AM

Every contribution helps make our PAC events a success, and we appreciate all of our amazing families who help out!

Volunteers Needed!

PAC is always looking for more parents and caregivers to get involved and volunteer!

Whether you have lots of time or only an hour here and there, every helping hand makes a difference. Many hands make light work, and our students truly thrive when their families are involved in their school community.

There are lots of different ways to help throughout the year, so don't worry if you can't commit to every event, we'd love to have you whenever you're available!

We hope to see you at our next meeting and at our upcoming events. Let's make this a fantastic school year for our Panthers!

As always, please reach out to us with any questions, comments, concerns, or ideas:
