

Principal's Message

Dear Pearson Community,

We will do things a bit differently this Fall. Since Diwali is very close to Harmony Day this year, we will not be holding a separate Diwali Assembly. Students will celebrate Diwali on Friday, November 6th in their classrooms through arts and crafts. We will celebrate our very diverse and vibrant community on Harmony Day, Friday, Nov 20th. We will do a family potluck as we have done in previous years and students are encouraged to come to school in their cultural attire. We will send out more information about the potluck through Class Dojo.

In the meantime, Halloween falls on a Saturday next week, but we invite our students to dress up in their Halloween costumes on Friday, November 30th. Just a reminder to make sure their costumes do not involve masks, weapons or blood.

Have a wonderful weekend and remember to vote!

Kind Regards,

Jasmeet

Discovering Patterns in Nature 🍂

Our Kindergarten and Grade 1 students have been exploring patterns! We learned how patterns repeat and how to create our own using colours, shapes, and objects. We then took our learning outdoors and became nature detectives, using materials such as leaves, sticks, rocks, and pinecones to create patterns of our own

with our big buddies! It was wonderful to see the students' creativity as they observed the world around them and discovered that math is everywhere—even in nature! 🍂
