It was so good to see you at the conferences this week. Together, we build strong support for our students! We are looking forward to celebrating our cultures through food this coming week.

The cold weather is persisting, so please ensure your child is warmly dressed for the weather.

A Note From Ms. Conne's class!

Ms. Conne's class is perfecting their sentence writing with help from Artificial Intelligence. We have been writing descriptive sentences before asking AI to turn our writing into a picture. However, we've noticed that AI doesn't always get it right! We will need to add even more details to create a picture that matches our ideas. Our class is excited to continue to use our writing to create expressive pictures using AI!

Together, Ms. Conne's class wrote the following sentences to generate an image representing our school: In the morning, cool panthers do the griddy dance in the gym. The panthers are each wearing a shirt that says "Pearson Positives."
