Can't find an item? Each school creates its own items for purchase and assigns them to its students. Once assigned, items will appear under the student's tab. If you can't find an item, the item may not be available for purchase, has expired, or is not assigned to your student.

STEP-6

Once you have selected your student and added any outstanding fees to your cart, you will be directed to the payment screen. You can then pay by eCheck from your bank account or by MasterCard or Visa.

STEP-7

If you choose eCheck you will need your transit number (5 digits), your institution number (3 digits) and the account number (7 digits). These can be found on the bottom of a cheque or by contacting your banking institution.
