It was such a pleasure to connect with you at our parent-teacher conferences this week. Research shows that parent involvement at school has a huge positive affect on student learning and confidence.
Thank You for supporting the Scholastic Book Fair. This will allow us to buy more books for the school library!
Volleyball has started for our grade 4/5 students . Game days are every Wednesday, starting October 14 to Nov 5th, at 3:00 PM at the Pearson Gym. Please come to cheer on all participants.

From The Classroom

From the Desk of Mrs. White - Grade2/3 Teacher

This week, in Ms. White and Mr. Sands Grade 2/3 learning community, we have been working hard on skip counting by 1's, 2's, 5's, 10's and 25's from any given number. Students have been using various counting collections and learning about using the most efficient methods to count larger numbers. Working with partners to complete different counting challenges has been fun and the students are so proud of their growth. We have definitely been connecting with Chief Spitlem, working collaboratively with peers, Chief Siya, being creative, and Chief N'tyxtix, persevering and never giving up.
