PRINCIPAL'S MESSAGE

Dear Pearson Community,

The morning drop off and afternoon pickup has been going really well. Thank you for being a team player and honouring the school plan.

Another request is to have your child at school before the school bell at 8:25 AM. There are a lot of benefit to your child's learning and social wellbeing when they walk into school with their classmates instead of walking into the class when the lessons have already started.

You recieved an email from the district last week requesting your input in the District Strategic Plan. Your Voice Matters! I have attached the letter on the next page with the link to sign up. Hope to see you at the meeting on Thursday!

Also a reminder that registrations for next year start on Feb 2nd for the school district. If you have a child starting Kindergarten next year or if you have plans to move to another school, please register right away.

Parent teacher conferences are coming up on Feb 5th and 6th and we look forward to connecting with you.

Kind Regards,

Jasmeet

FROM THE DISTRICT:

District Strategic Plan Community Engagement

Dear Rutland parents/guardians, students, staff, partner groups, and community members,

On behalf of the Central Okanagan Board of Education, I invite you to join us for an in-person Strategic Plan public engagement session. Your perspective matters: our schools exist to serve our community, and this engagement will help shape the future of education in Central Okanagan Public Schools.

This session is designed so that every voice is heard through a structured interview process that brings forward ideas, experiences, and priorities from across our community. As a teaser, here are the four questions we will explore together:

1. When you think about the world students are entering today, what do you believe students need most from their experiences in our schools to be successful?
2. When you think about the future, what ideas do you have that would improve student learning for all students?
3. What would help families feel more meaningfully involved in supporting student learning?
4. What is one change that would make schools healthier and more supportive places for students, staff, and families?

Your input will be captured, themed, and used to revise and update our Strategic Plan so you will be able to see how your advice helped shape the direction of the District.

Please register in advance using this link:

Session details:

- Date: Thursday, Jan. 11, 2026
- Time: 6:00 p.m. - 9:00 p.m.
- Location: Rutland Senior Secondary School Foyer

Thank you for considering this invitation. We are committed to safe, inclusive, equitable, and inspiring learning environments for every learner, and we need your voice to help us do that well.

Sincerely,

Jon Rever,
Superintendent of Schools,
Central Okanagan Public Schools

January is a great time for fresh starts and building healthy habits. After the holiday excitement, children often need help settling back into routines. Here are some ideas to support your child this month:

Re-establish Routines

- Consistent bedtimes, homework schedules, and family meals help children feel secure and ready to learn.

Set Small Goals

- Encourage your child to choose one or two achievable goals:
- Reading for 10 minutes a day
- Helping with a household chore

Focus on Emotional Well-Being

- January can feel long and cold. Make time for:
- Fun activities
- Outdoor play
- Conversations about feelings

Mindfulness Tips for Parents

- **Pause and Breathe:** Take a few deep breaths before responding when things feel hectic.
- **Practice Gratitude:** Each evening, share one thing you're thankful for with your child.
- **Model Calm:** Children learn from what they see—showing calm helps them feel safe.

If your child is finding the return to school challenging, please know I'm here to help. Feel free to reach out for support or resources.

Wishing you and your family a healthy and happy start to 2026!
